Bromcom
No.1 Choice for Cloud MIS & Finance

Step 1 – Download

Please use the App. You can help save your school money as you can receive notifications via the App instead of texts.
Using your App store, please download the MyChildAtSchool App – this is **free** you do not need to pay for the App
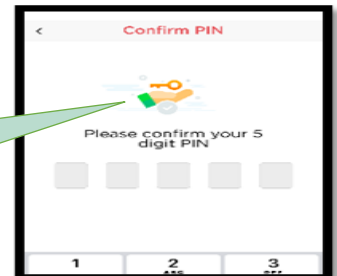

Step 2 – Open

Click the MyChildatSchool App icon

Step 3 – Notifications

'Allow' notifications to ensure you receive alerts for your child through the MCAS App
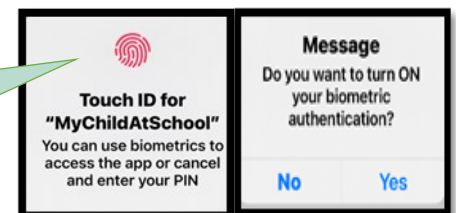

Step 4 – Pin

Enter a 5 digit pin of your choice that you will remember.
A second screen will ask you to confirm your chosen 4 digit pin
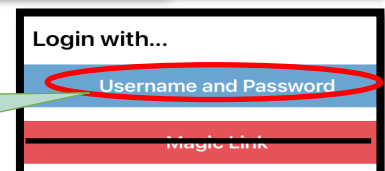

Step 5 – Biometrics

You can opt to sign into the App with just your biometrics.
Click Yes if you would like to do this

Step 6 – Login

Click to sign in with Username and Password.
Do not select Magic Link as this is for recovery purposes only

Step 7 – Sign In

Enter your School ID, Username and Password

Step 8 – Final Step

Finally click 'Add' this will take you to your child's MCAS account
