

## There are several ways that you can help us to fund resources for William Farr school:

### Choose us as your Co-op Community Champion

You can help raise funds for the school by choosing the Friends of William Farr School as your chosen charity in the Lincolnshire Co-op Community Champions scheme. It does not affect your personal dividends and it is easy to sign up by contacting your local branch or visiting [www.lincolnshire.coop/community/community-champions/choose-your-champion](http://www.lincolnshire.coop/community/community-champions/choose-your-champion)

### Lend a hand at events or donate a raffle prize

Extra helping hands are always appreciated. As well as organising our own fundraising events, the Friends of William Farr provide refreshments and raffle prizes throughout the year at school events such as the Extravaganza and Christmas Concert.

### Follow us and share our news on social media

Publicity is important to us so the Friends of William Farr share news and events on popular social media channels and would appreciate a few shares.

Facebook: @williamfarrschoolfriends

Twitter: @WFS\_Friends

### Invest in the chance to win monthly prizes in the 100 Club

Each month, 3 numbers are drawn and the prize fund shared between the school and the winners. A number between 1 and 100 costs just £12 a year and can be purchased by anyone aged over 16 who would like to support us.

### Join our friendly committee to have your say

We are a small team of parents who give up a little of our spare time occasionally to organise events and support the school. We also have our own social events and we would love you to join us.

### Support our events and have fun!

For any more information,

contact Anne 07736 009221 or Sam 07753 963538 or the school reception
