Present GCSE courses

Please complete the following table to summarise your GCSE minimum target grades and the grades your teachers expect you to achieve.

Subject	Target Grade	Predicted Grade
English Language		
English Literature		
Mathematics		
Combined Science		
Religious Education		

Please provide a comment from your current school or a copy of a recent report:

You should now refer to the Sixth Form section of the school website, or the booklet you received if you attended Sixth Form Information Evening, including the entry requirements for each subject.

You need to think carefully about your subject choices and should talk to the staff who teach you before making any course decisions.

If you already have certain Higher Education courses or careers in mind it is vital that your course choices match their requirements. We recommend you refer to the 'Informed Choices' website: <https://www.informedchoices.ac.uk/>

Please indicate below if you have any particular career aspirations at this stage, including whether you intend to move on to Higher Education or Apprenticeships.

Year 12 Course Choices for Courses beginning in September 2020

The majority of students in the Sixth Form will study 3 A Levels and the EPQ. Particularly able students who wish to take four full A Levels and an EPQ will have their requests considered on an individual basis.

You should choose **three** subjects to study at A Level from different blocks.

A	B	C	D
Business Studies	Biology	Biology	Art
Chemistry	English Language and Literature	Chemistry	Biology
French	Government & Politics	Computer Science	Drama
Further Mathematics	Mathematics	Design Engineering	Geography
History	Music	English Literature	History
Music Technology	Photography	Geography	Physics
Product Design	Psychology	Graphics	Psychology
Physical Education	Textiles	Mathematics	Spanish
Sociology		Philosophy & Ethics	

Please list your course choices from the option blocks:

A	B	C	D

If your preferred combination of subjects does not fit into the blocks, then please complete an acceptable combination that does fit in the boxes above and then give details of your preferred combination here:

Please note: Following our preferred deadline for applications of **Friday 29 November 2019** we will look at whether there is sufficient demand for particular combinations that currently do not fit into the blocks. At this point we will look to see if movements within the blocks are possible or if we are able to introduce additional classes. We will do the best we can to try and ensure we satisfy as many students as possible but we cannot guarantee that we can make any particular subject combination work. In addition, courses that do not attract sufficient students may not run.

Please explain briefly the reasons for your subject choices:

To support your application, please outline below any hobbies, interests, etc. that you pursue. You should include information regarding achievements gained both in and out of school.

Please outline any activities that you would like to take part in if you gain a place in the Sixth Form.
