

WILLIAM FARR

C of E Comprehensive School

Registration Form for the Children of Key Workers and Students with Defined Needs

The school will remain open during the formal school closure, staffing levels permitting, for the children of key workers and children deemed to have defined needs. The school is open in a caring capacity rather than a teaching capacity and students will be supervised completing the work being set via the VLE.

Children who show any symptoms of Coronavirus or who should be self-isolating **must not** be sent into school.

For safeguarding and planning reasons we **must** know which students are intending to come into school during the school closure.

In order for students to attend school on **Monday 23 March 2020**, this form must be returned by email to closureregistration@williamfarr.lincs.sch.uk by **12pm on Friday 20 March 2020**.

For replies received after this time, students will be given an alternative start date.

An electronic version of this form has been emailed out to you.
