

Year 12 Course Choices for Courses beginning in September 2020

FINAL VERSION OF THE OPTION BLOCKS

You should choose three subjects to study at A Level from different blocks. All students will also take the Extended Project Qualification. Particularly able students who wish to take four full A Levels will have their requests considered on an individual basis.

Please consult the entry requirements for each subject before making your choices. These are listed on the school website under Sixth Form > Sixth Form Application Process.

A	B	C	D
Business Studies	Biology	Biology	Art
Chemistry	English Language and Literature	Chemistry	Biology
English Literature	Government & Politics	Computer Science	Drama

Please list your course choices from the option blocks:

A	B	C	D

With the creation of any option block system there will always be some combinations of subjects that are not possible. Following our preferred deadline for applications of Friday 29 November 2019 we have looked at whether there was sufficient demand for particular subject combinations and have looked at movements within the blocks and the introduction of additional classes. These are now the final version of the blocks and subjects must be selected from different blocks.

We anticipate that all of the courses listed will run.
