

Online Sessions – Core Subjects Week Beginning 13 July 2020
--

These are the intended times of the core online sessions for the week beginning 13 July.

Where possible staff have scheduled their sessions during your normal lesson times from the summer term timetable however some sessions have had to be put on at different times.

Please check your VLE tasks for the exact timings (as each class is split in half for the session), any changes to this schedule, and details of tasks to be completed in advance of the session. Also check your school email for links to the sessions.

Your timetable on the VLE will show which band/teaching groups you are in if you hover your mouse over the lesson.
