With the creation of any option block system there will always be some combinations of subjects that are not possible. Following our preferred deadline for applications of Friday 10 February 2023 we have looked at whether there was sufficient demand for particular subject combinations and have looked at movements within the blocks and the introduction of additional classes. These are now the final version of the blocks and we anticipate that all of the courses listed will run.

Subjects must be selected from different blocks.

Please briefly explain the reasons for your subject choices:

To support your application, please outline below any hobbies, interests, etc. that you pursue. You should include information regarding achievements gained both in and out of school.

Please outline any activities that you would like to take part in if you gain a place in the Sixth Form.
