## HIRING

Here at Ski and Sport, we have over 30 years of experience operating school ski tours and are fully aware of the increasing costs incurred in a week's skiing holiday. This is why we offer clothing hire to keep costs down and to reduce the risk of any hazard while skiing.

Our hire range allows first-time skiers and snowboarders to have the best experience possible without the associated possible clothing cost.

Many people enquire about hiring a helmet however, helmets are now a requirement by the LEA for all school trips. Helmet hire is included with all tours with Ski and Sport.

However, if you would like to buy rather than hire you are more than welcome to look at our extensive range of clothing.
