

Train to Teach with Lincolnshire ITT

New year, new career? Time for a change?

Lincolnshire ITT offers school centred, primary and secondary, initial teacher training across Lincolnshire and Greater Lincolnshire. We are committed to inspiring the next generation of teachers to make a difference to the life chances of young people.

The practical and school-based nature of the training programme ensures that all trainees will become career ready, confident teachers. We work hard to ensure that trainees are placed locally as part of our commitment to work life balance. Trainees are extremely well supported by our network of expert mentors, who model, demonstrate and deconstruct high quality practice. Trainees build their teaching commitment gradually, as their confidence grows; we very much take a personalised approach. We are proud that our long-standing partnership with the University of Lincoln, meaning that the PGCE element of the course (60 master's credits) is carefully integrated into the programme. As well as support from our experienced SCITT team, trainees will have full access to university services.

Our large, successful partnership of schools ensures that we can offer local placements in primary and secondary schools in the following regions: Lincoln (and surrounding villages), Grantham, Sleaford, South Lincolnshire (Bourne, Spalding and Peterborough), North East Lincolnshire, Boston and East Lindsey.
